

EYFS Book Nature Themed Book List

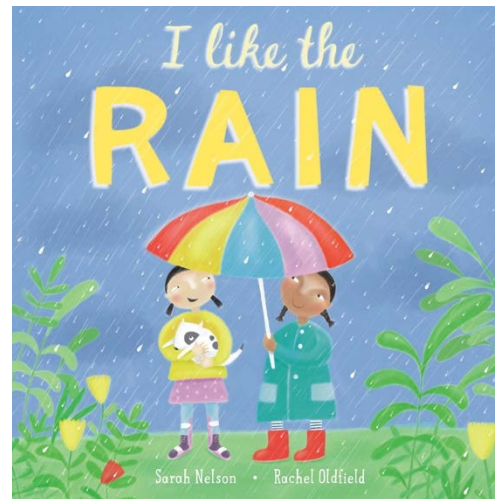

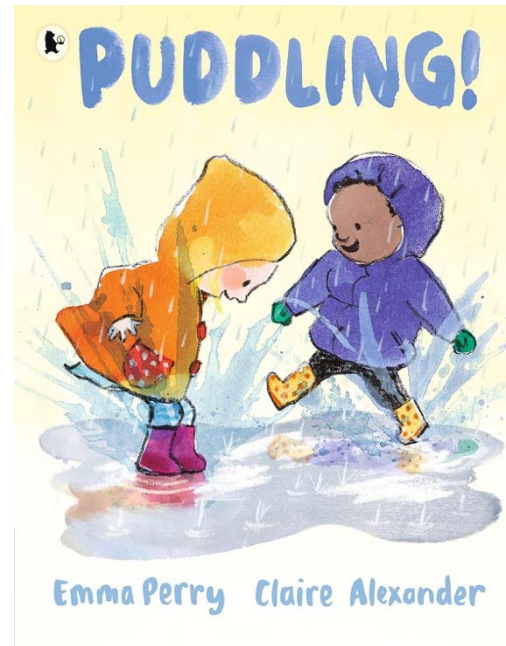

We encourage first hand outdoor play and exploration here at Lovel End Nursery which is enhanced with our twice weekly Forest **School** sessions. Nature connection can also be enhanced through fiction and non-fiction books, and we've got lots available to the children in our book corner.

We've got a lovely relationship with Chalfont St Peter Library where we walk with the children every other week, books can be borrowed here free of charge once you've registered for a card and we are also fortunate to have Crocus Books and Gifts in nearby Gerrards Cross.
